Investment Objectives and Strategies

This fund's objective is to provide long-term growth of capital by investing in equity securities of publicly traded companies with significant growth potential, located around the world.

The portfolio manager develops investment themes by researching and assessing the external environment, product strategy and development, and management strategy for each company it's considering. The portfolio manager focuses on companies with increasing sales and profitability and analyzes earnings forecasts, sales and revenue growth, and cash flow to identify attractively priced companies. The portfolio manager diversifies the fund's assets among countries and sectors to help reduce risk.

Disclaimer

BMO Mutual Funds are offered by BMO Investments Inc., a financial services firm and separate legal entity from Bank of Montreal. BMO Global Tax Advantage Funds are available through BMO Global Tax Advantage Funds Inc., a separate entity managed by BMO Investments Inc. For details on how BMO Global Tax Advantage Funds are structured to allow transfers without the realization of capital gains, please read the prospectus.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus of the mutual fund before investing. Except as otherwise noted, the indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Mutual funds are not guaranteed or covered by the Canadian Deposit Insurance Corporation, the Régie de l'assurance-dépôts du Québec or by any other government deposit insurer. The value of mutual funds change frequently and past performance may not be repeated.

On November 28, 2003, BMO Global Financial Services Class, BMO Global Health Science Class, and BMO Global Technology Class were merged into BMO Global Equity Class. Because the funds that were merged into BMO Equity Class had a larger asset base than BMO Equity Class, the performance data for BMO Equity Class may not be provided for any period prior to the merger transaction.
