

BMO SelectClass® Balanced Portfolio*

IDEAL INVESTOR

You are seeking a balance of capital preservation and long-term capital appreciation.

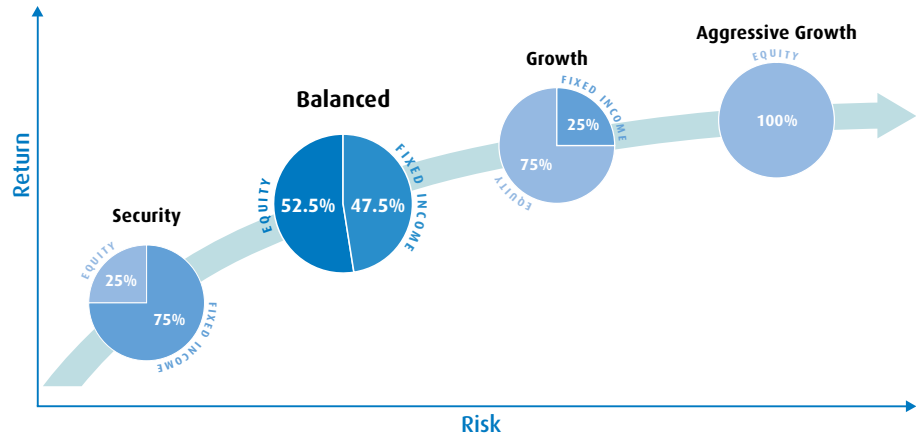

WHY INVEST IN THIS FUND?

A comprehensive investment management solution that provides the following benefits:

- Diversification by asset class, geography and market capitalization
- Professionally constructed and optimized portfolios to reduce risk and enhance return potential
- Manager selection and monitoring to ensure your assets are managed by knowledgeable investment specialists
- Automatic portfolio rebalancing

A corporate class structure to allow you to accumulate capital as tax efficiently as possible

- Each BMO SelectClass Portfolio is a series class of BMO Global Tax Advantage Funds Inc., allowing you to switch among the 4 Portfolios and 10 other classes without realizing capital gains
- Using this corporate class structure allows you to defer taxation, letting you control when you wish to incur your tax liability
- Once you choose to realize a gain, you also benefit by being taxed at the preferential capital gains tax rate, which is lower than the rates on either interest or dividend income

INVESTMENT OBJECTIVE

This Portfolio's objective is to provide a balanced portfolio by investing primarily in a mix of mutual funds invested in fixed income and equity securities.
